The Firm may, at its sole discretion, reduce the commission paid by the Buyer or Seller.

Any fees beyond brokerage commissions charged by Openfinance Securities, LLC related to a transaction for the account of User are designed to offset third-party fees generally charged to Openfinance Securities, LLC in respect of such transactions, including without limitation any regulatory or transaction fee or tax assessed by any regulatory authority, self-regulatory organization or depository. Users may be required to pay mining fees for transfers of security tokens on the Ethereum Network. Users are solely responsible for all mining fees as well as all other costs and expenses incurred with respect to obtaining or using security tokens on the Ethereum Network.

Openfinance Securities, LLC shall have the right to determine such fees at its reasonable discretion, and such fees may differ from or exceed the actual third-party fees properly paid by Openfinance Securities, LLC in connection with any transaction. These differences may be caused by various factors, including, among other things, the rounding methodology used by Openfinance Securities, LLC, the use of allocation accounts and transactions or settlement movements for which a fee may not be assessed.

Rates and fees are effective 01/01/2020, and are subject to change. Securities are offered through Openfinance Securities, LLC. Member FINRA/SIPC. Openfinance Securities, LLC. acts as an agent. All transactions are unsolicited. If you have any questions please call +1 844-925-4888 or email help@openfinance.io.
